

Cove Ledge Beer, Wine & Spirits Back Garden Artists

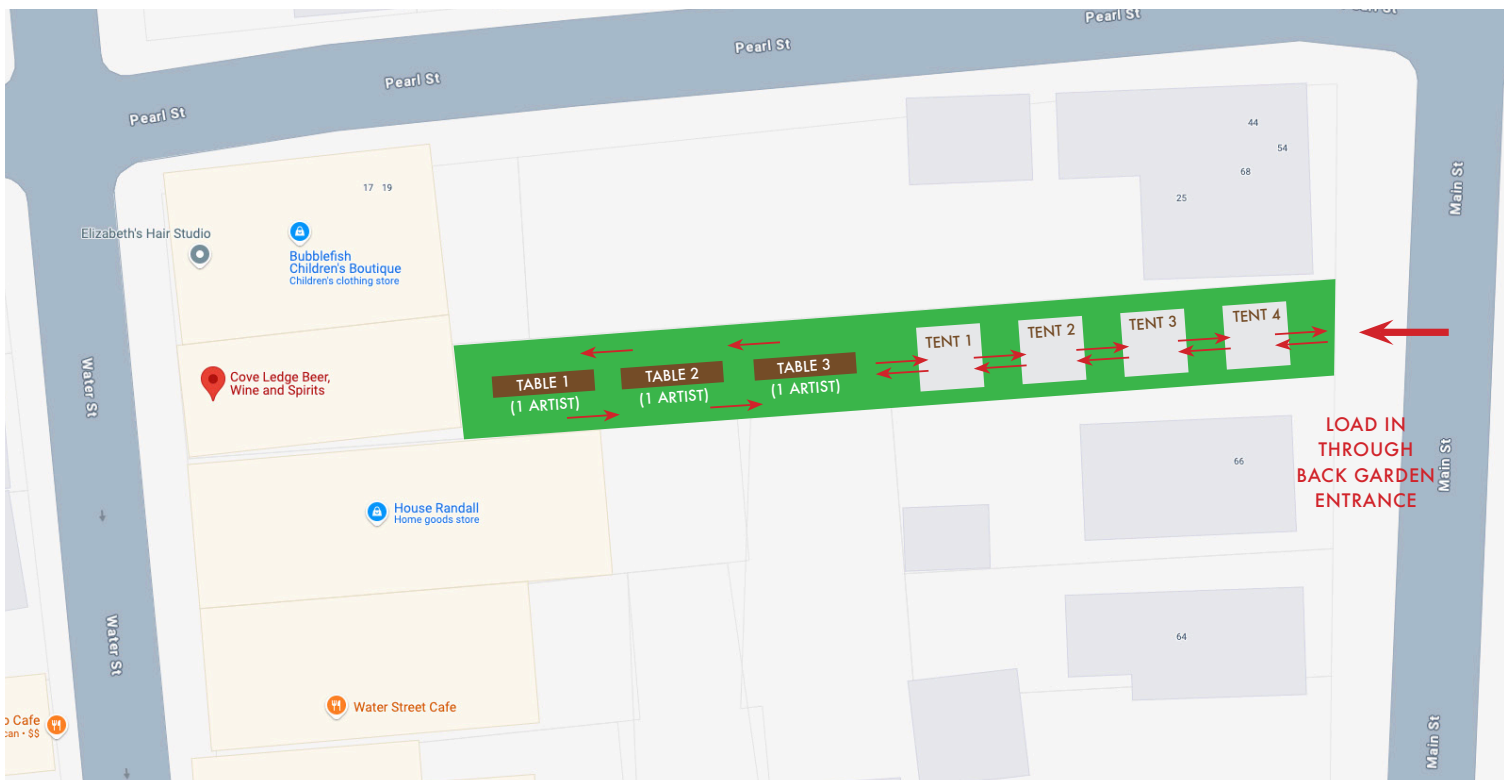

There will be 3 tabled artists and 4 tented artists in the garden at COVE LEDGE (147 Water Street).

You may begin load in and setup any time after 7:30 am. Cove Ledge opens at 9 am so access to the garden will be through the back on Main Street. There is space for 1 car in the driveway – artists may pull into the driveway to unload but you must move your car before setting up. Please be considerate of other artists.

TABLED ARTISTS may use the existing tables. There are three 16' long tables. Each artist will have a table, providing approximately 16' x 3' of table space. There are no walls in the garden to hang your work. Artists should bring freestanding and/or tabletop easels and displays. Freestanding displays can be set against the bushes.

TENTED ARTISTS must bring their own tents. Tents must be no larger than 10' x 10' and must be weighted down. The garden is 14 1/2 feet wide. Tents will have to be lined up down the center of the garden with the front and back open so people can walk through. You will have a small amount of space between each tent for overflow if needed.
